Jeffrey,

Jack called me and said Fran will take our 18M offer for 502 to include: repairing all the seat hydro locks to new condition, install his new carpet, or if we provide them a carpet of our choice, they will pay for installation, pre-buy to be completed at Gulfstream service center in Appleton WI, or Savannah GA. they will pay for all airworthy items to be repaired, we pay for inspection.

Jack is going to send a revised offer that confirms all of this, for your review.

Fran would like to start pre buy Aug 30th, 2010 Monday,

pls advise,

Larry

Rumor has it, that Trump has purchased Paul Allen's Boeing 757, Trump's chief pilot said, there are two aviation museum's that are interested in his Boeing 727, as a donation.

our engines have the most value on the B727 and could be sold for good money, Sean would know the value of the engines if you are interested in something like this?

thanks
