Good morning sir.

I wanted to see if you had an opportunity to review the items remaining for LSJ and if there are any questions. You mentioned on Friday submitting this list to Emad. Please let me know if you want me to proceed with that.

Also, as far as the FSF phone switch is concerned, I called BestComm Friday. In order to use the switch here, we would have to upgrade the number of telephone lines and pull another cable from 10F to 10B before installing the switch. Additionally, we would definitely see an increase in our Monthly Recurring Cost for telephone service. I will confirm with Brice today if there are T1 services to the ranch and the likelihood of implementing this switch there.

Thanks,

WM
