The group is listed company in HK.

They publish their annual result which includes real estate and telecom business.

Our interest is in our sector only, and they do not publish that sectors financial. We believe Telecom and real estate is bigger part of their business.

Whatever you have is what we could find.

When I am with you will share some of our numbers which will give you a feel of their business as well.

No there is non.

The target is not aware of our plan, and they do not publish their financial. What ever we have is through our own intelligence.
