Jeffrey,

Thank you for the phone call today. We received your sketches and reference image (they are scanned and attached to this email for reference by others), and are working on some options to review. We are excited about the new direction, and will have some progress sketches for you at the beginning of next week.

As I discussed with Doug, I am planning to meet with you and Doug on the Island on 7/15.

Thank you for approving us to proceed with the new design studies on a T+M basis, until the new direction is set.

Thanks!

Warwick
