i am always open to the idea that i am not right,, I have asked sarah, lesley, eva, leon, sue, gary, not one person , corroborated your line. i realize they might be afraid, so i ask that examples be given. you have suggested that expecting you to be appreciative or say thank you. seems irrational behavior.

if this is your example of strange behavior, your credibility is zero. if this is the type of evidence that i asked for, your reluctance to provide concrete examples is now understood.

I said thank you when you first offered he could stay there and I would say thank you again when it is actually confirmed. Now you are somehow suggesting you didn't approve it but I still should have said thank you before an actual apartment is scheduled ? This is an example of strange behavior. I don't understand what's going on. This should have been a simple conversation but you are picking on everything. I don't want to argue.
If they end up being able to use an apartment, THANK YOU very much.

What do you mean? You already said they could stay in one, I am just coordinating the details with Leslie, not asking her..
Did you change you mind?

Hello Jeffrey. [REDACTED] brother and his girlfriend will be coming to NY on July the 8th (next Thurs) for a month. [REDACTED] is hoping they can stay in an apt. I have spoken with Sarah and they could stay in 8A if ok with you.

So you know, 11B should be available soon...Sarah says It's coming along... Larry could stay there now but wouldn't put guests in there just yet...

and 10N will be having some painting done but is available to guests...

Let me know if ok to put [REDACTED] brother and girlfriend in 8A for one month starting July 8th.

Thanks, Les
