Did you have a chance to see their resume? Would you like me to schedule a call for the couple and Dave?

Dana,

Attached are the resume, photo and letter of reference for the Paraguayan couple I was telling you about yesterday. Their names are Beatriz and Roland Lopez.

As I have mentioned before, I have personally gathered excellent reference for them from their previous employers. They worked for Mr. Fred Howard and Ms. Bonnie Kaye for almost 5 years in Wainscott, NY and when Mr. Howard passed away earlier this year, they sold the property to new owners and they retained their services. They are looking for a new position because they are really not happy in their current situation. They are willing to relocate anywhere for the right position.

Please let me know if Ms. Maxwell will be interested to interview them.

Thank you!

Michelle

Ok, I just wanted to be sure so I could update my contacts for Regal.

Dave who is the head guy in the Cali office will be interviewing him first.

Hi Dana,

I just talked with John and he doesn't have a Skype account yet and has no computer so he has to see if he could go to a friend's house for the interview tonight. He said that he will get back to me asap.

Are you going to be the one to interview him if ever or is it Ms. Maxwell herself?

With regards to Grace, unfortunately, she is no longer working here and Mrs. Goldman has asked me to handle Ms. Maxwell's file.

Hi Michelle,

Would John Ramos be available for a Skype interview today around 6-7pm EST?  
Is Grace still working at your office?

Dana,

I am just waiting for a much clearer copy of their recent photo, what I have is somewhat blurry when I printed it. Then I'll send you their resume and letter of reference as well.

Thanks!

Thanks Dana! I was wondering also, do you know if Ms. Maxwell is looking for a couple as well? I have this really terrific Paraguayan couple who is now available. The wife is an excellent cook/housekeeper and the husband is very experienced in houseman/handyman/grounds keeping duties. They are currently in Wainscott, NY and I have personally gathered glowing references from their previous employers.

I can send you their resume as well if you think Ms. Maxwell might be interested.

Thank you.

Ms. Maxwell is travelling and I am not sure when she will be in NYC next. I have passed along his resume and will let you know once I receive any feedback.

Best,  
Dana

Hi Dana,

Just following up on the resume I emailed you yesterday and making sure you received it. Do you think Ms. Maxwell will be interested to meet John Ramos? He's willing to come to NYC for an interview at Ms. Maxwell's earliest convenience.

Please advise.

Thanks!
