I had an interview with [REDACTED] on Thursday. It turned out to be more of a meeting where she was trying to give me career advice. [REDACTED]. That is not something I see my self doing right now.

I actually like real estate so far, it's too early to tell if I will be able to make a living or make a career out of it.

However, I was able to work full time (10 hours a day) 6 days a week for the last 6 weeks. I rented 5 apartments and like I am gaining experience quickly. I like the company and the people I work with.

You can see my listings and my picture at [REDACTED]

I am would love your input on a lot of things. I miss you and hope we can catch up soon.

I copied myself on this email so if you will reply, please hit reply all, this way I will get it on my blackberry and will see your response right away.
