Dear David

I am awaiting authorization from the Government here to specifically make the request for you to arrange the "loan for oil" deal. This is difficult as there are several distractions involving oil deals - one way or the other. I will be back to you as soon as possible. It is better to wait and have the authorization in place for you specifically.

Best regards

Terry

Terence D. Allen

Terry
Can you send me further details as discussed?
All the best

David
