screening room is out of proportion.. I concede. . lets bring it down , or move it out of complex. stairs need tweak ,, pool is great. lets try one with two guests on office side, one on current cabana side.

Jeffrey,

Attached please find the new conceptual plans and 3D views for the pool area at LSJ. Please keep in mind these sketches reflect the planning and massing studies – locating the major elements – and not the detailed design. That will come once we hone in on a preferred scheme.

Option 1:

- Maintains the service road.
- Places the new guest cottages in line with the existing ones.

Option 1A:

- Similar to 1, but places the new guest cottages over the screening room

Option 2:

- Pushes the pool area out over the service road.

Please review, and send me any comments or questions.

Thanks,

Warwick
