I can bring the panels into the city tomorrow, I could be there around 11am or after.

Other images:

Images 1784 & 1789 are European Oak as installed at 778 Park, a Ferguson & Shamamian project.

Image 0305 is development mock up for the same project. (a bit darker)

Image 1589 is a mockup for our current project.

Image 0291 is a panel from the Neue Gallerie, 1048 Fifth Ave.

Hi Serafin,

Will you be in the city at all today or tomorrow in the day. I'm wondering if there is a way to see these panels in person before I leave for the Island tomorrow evening.

Also, do you have any other type of european oak panel finishes that you can send via email for us to see.

Thanks, [REDACTED]
