On July 22, 2010, every girl under 35 - other than [REDACTED] and Story - whom I spend time with between May 21st and July 22nd this year, will be permanently removed from our lives. This includes me no longer having any contact with them. After this date, They will not stay at 301, I will not have them send their girlfriends, They will not travel with me or stay in any of my properties. They will be aware I do not wish to have any contact or association with them after this date. They will be gone. No word games, no tricks !

I will keep and make known to [REDACTED] an accurate record of who these people are OR instruct Sarah and/or Leslie to disclose this information to [REDACTED] as it is organized. In this case I will still disclose visitors not known to LG or SK :-)
