i am more than willing to talk to her.. prior to your meeting , if cooking typing , excercise and reading do not refresh your memory, let me add burdens vs benefits, and petty jealousies. treating people well, no matter who or what they are , or you think they are. my best guess , and if you recall i thought flying was wonderful for you and totally and 100% useless for us or me,

I already did the last time you felt you were not getting your needs met yet you refused to be specific about what you actually want from me. She thought you yourself don't even know what you want from me and you are just unhappy so you pick on a person close to you..

That's when she suggested I just pick something I would enjoy that you might like and finish it..that's why I started flying

You want [REDACTED] there and I have to spend time with her if she comes. Entertaining this guest is going to take up my time this weekend.

I asked you to give me a sample of a normal day and my role in it that would make you happy. I can't come up with an answer, this is your issue.

I already suggested to manage staff and run the house.

I thought i have been not only clear but highly repittitious. .. why don't you try to outline what you think it is . I will gladly help ,, you can start with the mood in the house. guests food, fun, comfort. sex, fun , who makes and serves breakfast. ? who answers phones, what role do you envision and the responsibilities you are willing to assume. what will you contribute to the partnership/ you could do a sample two days..

You didn't respond to my email question. I don't know what you expect me to do when I come back.
