wireless music from cabana to gym

On Mon, Aug 31, 2009 at 1:40 PM, William Murphy <[REDACTED]> wrote:

Good afternoon Sir,

In addition to resolving the lag you experience with typing and the output display on the screen, I wanted to take a look at the wireless in the house and possibly complete moving the internet access over to the ComCast business class cable modem. Is there anything else outstanding for which I may need to bring additional tools?

Thanks,

WM
