thank u very much....

and also Im still thinking about Richies bday..and i think what might be a good idea is to rent a private little yacht for 2 hours and make a tour around manhattan. It will be relaxing for him, he loves boats, he loves new york city and last night he opened up how stressed he is about bussiness and other stuff and that he doesnt have time to relax...so i think he would appreciate it.We could also have sex there and i could give him some massage...

i know u HATE boats but what do u think?
