Hi Jeffrey,how are you,I cant believe that with all the crap in this world they bothered you,I saw The Informant last night the Mark Whitcare story the man that brought down ADM whike stealing 11 million dollars.He is out of jail and is now CEO of Cypress Systems,go figure,he is a phd but still.Do you have a girlfriend yet? I hope you dont get married,its like prison but with a life sentence.Anyway keep in touch.OH I am going to London tomorrow for Aden Barclays 50th Birthday.Wilbur Ross and half of NY are going,JF
