I would like you to succeed,, I have given you clear directions, follow my directions, if you don't understand what i've said ask again until you do. do the best of each task, be as much help as you can.. do not try to restrict my behavior. if you are in a bad mood, stay away from me , guests others, it is not our problem to deal with,, I will give you one on one time to discuss any issues you may, have. (like visitation).. This is the road i think you want.. IF you continue on your path trying to protect yourself , in your words, doing as you please. it will end in failure, I guarantee it. your choice,, I love you and don't want this to end.
