Thanks. Jeffrey. I think the meetings on the Island were very effective. We can review both options – the new guest cottages over the screening room, and east of the existing guest cottages.

Thanks,

Warwick

warwick , thank you for your time, I think I might have dismissed your idea of having the guest houses on the north east of the living room too quickly.. LETs try it,, the view to the east , from a guest room would , be spectacular. I think you might have had the right instincts
