Here are a few pics,

This is a Pheonix Canariensis
Or "Canary island Date Palm"
This one is planted on the western side of LSJ

The following are Pheonix Dactylifera
Or "True Date Palms" these are by the 3way fork in the road on the north side of LSJ

These are also Pheonix Dactylifera
(full grown well over 25')
Planted in the main compound

A close up of the smaller Pheonix Dactylifera
