This is an idea of what the cushion will look like on the back of the helm seat. So as you can see this gentleman chose two stripes of Blue. You can choose one stripe in the center, or keep it all white. Any color is available.

Please let me know as soon as possible.

Harris,

I met with Jeffrey this evening, he asked me what color the boat is?,,I told him that we agreed to the white hull,,,however, when I met with you at your location in Fort Lauderdale, you told me, you would give him options for seat cushion color and style. When is this going to take place so we can set up a meeting with him?

thanks,

Larry
