I understand your legitimate concern about not spending enough time, so here is what I believe to be a constructive, fair suggestion. We celebrate our anniversary this Monday or Tuesday (your choice), no one at the house but you and me, no work, -- a full day of "visitation, with contact".. Let's see if we can start again.-- This weekend, Jean Luc, and Steve Kosslyn and his wife are already scheduled. I would like to bring Jenn down to help.. I'd prefer if you were to arrive on Sunday night or Monday (your choice). You may want to get your lips shot again. -- I want you and us to succeed, and will try. Promise
