it is not about HIM.... He is an amateur, he answered questions as opposed to simply repeating what the message is. it is not a deposition,, the people ,who deal with the press should be limited and have press experience.. Tell ██████████ that you only want bad news.. every e mail of hers that i;ve read , is positive,, it is no help// david does not present a face of confidence , in control, or authority,, Barneys is a great brand, and we have great confidence in it.. period.. over and over,, no need to confess, yes its value now makes it difficult to sell.. Maria is not a shareholder, he had the opportunit to stress how much you have streamlined your operation,, the world seems to be recovering. and dubai is poised to take advantage of that fact. we have built a desert oasis into a metropolis of the twenty first century..
