you need to be more specific.. what is it that you need.. not generalized...ie. we need gov't to guarantee x dollars from rbs , for twelve years. declining balance etc. these concepts are too general.. which banks,, send me a term sheet of what you have and what you need , and the justification for it.

Subject: Project Cisco

Bu Ahmed,

In order for us to move forward on project Cisco we need the following to be achieved by Nov.7th 2009.

1) EIB: We already have in principle financing of €300m.
However we want this number to increase to €550m

2) We are in dialogue with commercial banks for £500m which should reduce to £250m if we get EIB support extended as requested above.

However even the commercial banks that have shown interest are not looking at tenures much makes the project viable. Therefore we will need the govt to credit enhance the banks such that they can support 12 years plus tenure.

Finally, if we want HH and the PM to attend the ground breaking ceremony the above deals must be firm, signed and sealed before Nov.7th.

Regards,
Mohammed Sharaf
