Because we will required to have inspections(concrete,electrical,plumbing) we need permits,CZM,&building.Darren questioned if you want me to peruse this direction.

If you want to improve your standing with the agencies to seek approval for the dock I would start the process here.

I met with Maria Hodge and had Darren on the line and discusses the wall by the office, the consensus now is that we do nothing about boulders and finish the landscaping with some material that drapes down and screens the scar.
