Please find attached our proposal for the French Polishing of the existing paneled Living Room in NY.

Should the proposal be found acceptable, we would wish to provide a control sample on one of the lower cabinet doors as this work could be completed in August.

Also attached is our wire transfer information should the deposit be sent in that manner.

Please contact me with any questions you may have.

Thank you.

Hi Serafin,

Where are we with the living room in New York, and or thoughts on the library on the Island?

Please send along an update with your thoughts? Thanks,
