you ask my advice and then ignore it. you ask me what i want and then you ignore it. I don't want to listen to the top stories on yahoo news. you can talk to [REDACTED] or [REDACTED] about that. You don;t have a friend with even half a brain. but you are not in short supply of strongly held views. based on nothing more than internet info. since you called [REDACTED] a pros to her face , i haven't seen her. since you had me send [REDACTED] the nastigram, i haven't seen her. hopefully this should be satisfying to you.

ghislaine was here, her message was , why didn;t i listen to you when i had the chance.. most of your comments are negative and you continue to refuse to deal with the reality of life. i don't want or need to bicker.. read your own emails look in your own mirror. your concerns with others. it serves no purpose other than to create tension. I came to [REDACTED] anxious to see you. once again you started a fight.. bad mood sulking, leaving without saying goodbye, this was all because you overheard me say baby in a happy voice. then [REDACTED]. then the emails, then more suspicion please check the time on the emails. this in the middle of my already stressed day. Ask yourself , what nice things have you done. did you make my stay more pleasant or less. you now tell me you don't feel comfortable if i pay your bills directly because of some other suspicion. i have nevr asked anyone except [REDACTED] re anything to do with you.. but you find no issue with referring to all [REDACTED] i pay.

Jeffrey, you are my best friend and I miss being able to talk with you openly without it turning into bickering

Maybe not but all [REDACTED] you pay directly keep you well informed [REDACTED] anyway and with this one I don't feel comfortable in that situation.

[REDACTED] believes I pay for myself with money you have given me.
