[REDACTED], Im not sure what image you are imitating. you are prettier without all the acoutremounts. I thought yhou needed to tone and shape your lower body. ballet. , etc. these images can't compare to your jet photo.. you do not want to lose weight, your face can't take it. . long hair accentuates the long and small. and the lips add to it. big lips focus the attention on the width . I have the other images. on my desktop/
