Jeffrey,

Quick question: We closed with National Geographic and now we're closing a Series C on Dec 31 with \$2.25 million (Francesca von Habsburg and current investors) -- I'm looking to get it up to \$3M so we have the runway to get cash flow positive and get [PLA.NET](#) (the operating system you saw) ready for government contracts. Would you be interested in purchasing any of those remaining shares? I'm seeing Francesca this week in New York and she might increase her stake as well.

Adam
