Hi Jeff,

Ehud doesn't know yet (he and my mom are unreachable) but I just got a letter from NYU telling me I got in! I wanted to express my deepest gratitude for your effort in making this come true. This really was a dream of mine and I feel it is a big step for me in the way to achieve my goals. I really appreciate your advice and assistance esp. given the very short notice.

Btw, you recommended a certain book discussing with machine learning to me during our call, and I thought the name I heard was "The Prediction Machine". But I must've gotten it wrong because I couldn't find it anywhere. Do you remember which book it was?

Thanks very much,
[REDACTED]
