I spoke with Doctor Kruger who informed me that of the two gifts he received in the amount of \$25,000 each he only used \$13,000 of time leaving a balance of \$37,000 unused. Would you like me to purchase him a new card? If so how much and from which company? Or should we wait until I hear back from Flight Options and try to transfer some of the hours we get?

Hi Jeffrey...just want to keep you abreast of some conversations I have had with Dr. Bernard Kruger. Back in Dec. of 07 you gave him a gift certificate with Cerulean Jet. Dr. Kruger never used the entire GC and has been trying to contact Cerulean. It appears Cerulean is out of business. Dr. Kruger has not been able to contact them...I did some research and found that Air Atlanta Helicopters has the phone number Cerulean was using. I receive voice mail only every time I call ...I had Larry Visoski look into this matter also and he has basically found the same things as me. Larry also said he imagined the charter hours had a time limit to use, which may have expired and/or went out of business...I looked back at the 'gift notice' that was sent to Dr. Kruger from Cerulean and it says nothing of an expiration date or the hours that you purchased for him.

I know Dr. Kruger did not want to make a big deal of this...he said if Cerulean is still in business he may want to book a trip...but that is it.

I was going to email him and let him know the company is out of business, but I thought I should let you know first.

Les
