dear jenne and dangene.

This is an emotional time for you both..I am writing this so there is never any misunderstanding,, Dangene and Jennie , you have asked for my opinions , regarding financial matters.. I am providing this merely as a friend.. You may not rely on it, with any degree of certainty. YOU both should have outside advisors counsel etc. Many times people make financial decision based on personal needs at the moment. I want to be very very clear. These decision are yours and your s alone to take, I bear no responsibility for the outcome , or in hindsight, if you then belive you should have done something differently.. My talking to you is strictly at your own risk.. I realize that this may sould awkward but i want no misunderstandings... Thanks
