Saw Eva Dubin at lunch and dinner today.

Perri Peltz's mother, Lauren Veronis, who is a pushy Jewish bleached blond horrible person threw an idiotic 50th party for Perri tonight embarrassing her....a disco party...no seats...no seated dinner....bad music...really bad speeches and songs...Perri has got to have a screw loose to let this horrible women do this to her. You would think at 50 she might have some control over her life. It was pathetic and sad. Eva looked sensational and told me she talks to you every morning....her last report, that you are NOT having children... Rainstorms tomorrow...living Teterboro at 4:30pm...will call.
