---

the cars seen at the epstein residence belong to Richard Fandrey and Michael Fisten.. Richard Fandrey is related to the Gambino family.. he is the former bodyguard of Scott Rothstein and was employed by scott rothstein to harass Epstein.. I believe you should make this known to the palm beach police captain that has responded to your calls. Scott Rothstein was moved from his federal prison cell as a result of wearing a wire and testifying against one of the gambunos in miami,, you should make this known , as if there is a violent incident, the police should be on notice.
