Hi Story,

Welcome to Line2 and Toktumi! I want to be the first to thank you for giving our service a try.

**Watch our video to get the most out of Line2 and Toktumi!**

I've created an overview that will save you lots of time setting up your service.

Line2 lets you place and receive calls over WiFi and 3G data in addition to Cellular, allowing you to use your phone even when you don't have cell reception or reduce your cell bill. Watch the intro to learn more.

Remember, your trial is absolutely free, so dig into all our great features and see for yourself why everyone's raving about Toktumi and Line2. Oh, and be sure to tell your friends about us — we think they'll be raving about us too!

**Save money with a convenient \$14.95/month subscription:**

Save \$5 off the month-by-month activation price by signing up for a convenient subscription now.
