Subject: visa

Date: Tue, 15 Jun 2010 22:13:49 +0000

the full cost of my visa is going to be more like 12,000 - 7 plus another 5 - as there are other direct costs involved that are necessary to obtain the 01 things such as dissolving my existing company, setting up a new one and publishing it, trademark and paying a small amount for some online marketing.

Is this ok?
