Subject: LSJ Boat search

Date: Mon, 13 Apr 2009 09:01:53 +0000

Jeffrey, we have in Palm Beach storage one Mercury 275HP Verado engine, it was the extra engine (4th engine that was installed on Midnight Express),
Do you want to sell this engine? its worth 5 to \$7,000.00 engine alone with no steering, it was not been run in over a year.
pls advise?
Larry

some interesting finds: for behind PBI house, I will keep searching,

I like the hard top and rear entry into cabin on this type of boat, Only 30 kts however:
