Good Morning Handsome...

I hate to disappoint but.....

- A. I don't have any sexy photo's
- B. If I did, I would never send them over the Internet!
- C. Indulge me and respond on anything other than sex....like...how the hell are you doing? I'm writing and writing with no response...I do care to know you're O.K.

P

Jeffrey,

Received a note from [REDACTED] sharing your email address. Were the letters cluttering up your mailbox? :-) All is well on my end. Stayed in the city for the holiday. All in all it's best I did. I decided to jump on the Master Cleanse bandwagon and see if the detox/mind clarification would take me to new heights! ha... Finished my 10th day on Easter which basically consists of organic lemons, grade B maple syrup, cayenne pepper and water. Yup...that's it. Must admit it was surprising my body had just as much energy, and really no ill affects from the trial. As far as my mind being clearer in meditation....no real improvement!!!

I fly to Milwaukee...yes, you read it right, the location everyone is flocking to in spring (God help me) for my best friends wedding. It's the second marriage for both of them, and had a hell of a time figuring out a gift. She finally mentioned art. Put on a pedometer and headed towards SoHo. Needless to say, by the time I got home that evening I had walked 8.2 miles. Exhausted with two prints in hand, too tired to go get frames. All I want to know is why don't people just elope??? Apparently the "new thing" is for the Maid of Honor (yeah..me) to write a little speech and give a toast. I don't think they realize how dangerous this could be :-)

Have you heard from Joe? Last I knew he was out of the country. I see his acupuncturist (which is now becoming "my" acupuncturist thanks to Joe) tomorrow. Watched a PBS special on Philip Glass last week and Sat Hon (Joe's friend and quigong Master) was in it. Kind of exciting. Hmmm...let the cat out of the bag there didn't I sharing the extent of my exciting life!

With that I'll sign off and let you respond. Don't want to ramble too long!

Thinking of you often, and hoping your doing the best you can. It's really all any of us are doing...no matter where we are in our lives :-)

XOXOXOXO
