Jeffrey,

See attachment for photo and spec sheet.

This 2001 G5 is a one owner since new: Owner Cargill, Sean said they have a great flight operation and take care of their aircraft, he heard the G5 had an asking price of 32M, but I was told 28.9M ask...

Heads Up display and Enhanced vision included. 3200 hours, 1400 cycles.

Thank, Larry V

Hi Larry,

Good to hear from you. I've attached the information. Starting ask price is \$28.9M.

They do want to sell as we're replacing out the fleet.

Best

Tony

Hi Larry,

Hope all is well.

Just wanted to let you know that we brought GV S/N 610 to the market in case you know of anyone looking for one and want to share. Its been owned by Cargill since new. I can forward information on if you'd like.

How are things down south?

Best

Tony
