Ukrainian contacts tell me: cute yes.

If smart and multilingual there is no way they are still in ukraine (esp if cute)?!

In any case, will be watching out for something suitable.

Totally agree, too dangerous.

Should I look out for a possible assistant? She would be based in FL initially?

Looked at commercial development in Kiev:

1. Ukraine is in real trouble
2. Every type of finance deal (real estate, PE, instruments) at every corner on offer
3. CEO of Bank invited me to offer me all sorts of investments - all rubbish and high risk
4. Would not surprise me if Ukraine goes bankrupt and Russia "buys" it 5. P factor in the right places 7/10

All the best
