Hi Roger

Sorry for not responding earlier but things aren't great here. In fact I will mail you later in the day requesting an invitation letter to some meeting or some such thing so that i can apply for a USA visa - mine just expired and it is easier to get one if I have a letter from an organization justifying my application for a multiple entry visa.

Strictly between you and me, I have received 2 serious threats as a result of my blog and other statements on TV. Have not told my family as i do not wish to scare them. My daughter, in any case, is with her husband in Austin.

Will talk to you at some point after I manage to mail tomorrow.

All the best to you and Annie.

Zaheer

PS Watched this and it's great! Have circulated it to many schools and teachers.
