I contacted [REDACTED] in London, and asked if I could give you her email address. She thought about it for a long time, and finally decided that she preferred not to.. I told her you were a good guy, and an attractive one too.. and the fact that you are my friend made a difference, but she is in a relationship and she decided not to have new email correspondence.. SOrry.. I tried.

in Cleveland, in the rain.. praying I get through this week, which I know I will of course.
