Subject: legal fees

Date: Wed, 09 Jun 2010 13:08:31 +0000

Was glad to hear that the fee dispute settled. Talked with Mark Luttier last evening and he said they came *way* down. I hope it was way down by your standards, not the lawyers.

I still think there are Bar complaints, Inspector General investigations, etc., that are in order, but perhaps that is better considered a short way down the line, if you are prone to consider it at all.
