Dear Mr. Sulayem,

I have not heard from your former business partner, Ms. Sheridan, the former Ms. Abiabdallah, since she departed from Montana. Evidently her 49% ownership left the remaining 51% being controlled by you, which is in no way affiliated with Dubai World. I have no hesitation to discuss this matter with you, or one of your associates if you chose to send one to speak with me across a table. I have no knowledge at this time if Ricky Hussein, your associate who represented you in San Diego, or any of your associates in the Boston area are still actively in the US. If so, and if you trust them to speak with me, have them contact me. I am sure Ms. Sheridan shared my information with you.

You may also contact me through my publisher. My publisher had the misfortune of having the blog on the website hacked, and my writings erased. The internet creates cowards, but you will always know how to find me. The persons who attacked my writing did not want to face me.

I look forward to hearing from you. Evidently Ms. Sheridan has disappeared again.

Jim Simms
