I'm not so proud to say but I haven't book any show this time though I had options and fittings! :(

I'm really sad coz I didn't expect this, and believe me I've been very confident.

But in this moment I'm kind of down, no money, no job... no shopping :P!

there is also a good news...I'm booked for 2 good jobs in beginning of september and middle sept here.

Probably I should go home but I'm very bad in bending down my forehead!

kiss...
