Dear Fellow Member...

It is with pleasure that we provide you the attached Newsletter, updating you on what's happening at our Island Paradise in St. Thomas. We trust this will answer the questions many of you have had about new leadership at the Club, your 2010-2011 assessments (*payment due by this Monday*), the latest on property taxes and the steps we've been taking to enhance your Membership experience. If for any reason you cannot open the attachment--or if you'd just prefer to have a hard copy--let us know via return e-mail and we'll get one right off to you.

With best wishes and looking forward to seeing you on the beach, we remain...

Your volunteer Board of Directors
