Re: Epstein / [REDACTED] – Interview of [REDACTED] [REDACTED]
File: 8577R

On Tuesday, July 7, 2009, investigator Kevin Black interviewed [REDACTED] [REDACTED] via telephone. [REDACTED] called Black at the request of a contact unknown to Black. [REDACTED] indicated that he knew Black is a private investigator who is looking for information concerning [REDACTED]. [REDACTED] did not ask the reason Black was interested in the information.

[REDACTED] said he was last with [REDACTED] about 1.5 years ago. He claimed that [REDACTED] ruined 6 years of his life. [REDACTED] was caught cheating on him multiple times. He said when they went together she was young and had no job. [REDACTED] paid for all of her stuff and maybe that was why she kept him around.

[REDACTED] said [REDACTED] still calls him once in a while. He believes she is currently interning with a construction company and living with a boyfriend who is unknown to [REDACTED]. He believes she will probably return to school in Boca Raton in the fall.

[REDACTED] called from a cell phone number of [REDACTED] and after speaking for approximately 20 minutes told Black he had an incoming call from his boss and would have to call Black back. No such call back was received.
