Yes! But not quite, monday will have more.

Lyndon introduced me to Weetabix, the cereal company, and they will offer me a proper job and not an internship. The only problem is that they are in a very small country side village 2hours away from London so I'll have to move there! I always lived in big cities...do you think I'll make it?

I hope so, because I feel is a great oportunity to earn good experience.
