I'm not going to make excuses Jeffrey I have a lot on my plate and I decided to go with a local guy here in St. Thomas that we know who's father has a dealership in Florida rather than someone I don't know and I have called him and followed up with him and its just taking him some time to get back to me.

Thank you

Jeffrey,

Please review the attached and let me know what option you would like to add if any so that I can get a price form the dealer that I can negotiate and be able to give you a delivered cost to LSJ.

I have also located a white 2010 Demo Passion Cabriolet that has 3,500 miles and asking price is \$ 15,000 before negotiating so if your interested in getting a used one I can look into this further for you.

Please advise which way you would like to go.

Thank you
