My mom is coming tonight here, I don't remember if i told you...

The interview went well, but they can't offer me a full time job, just part time...but when they have like really much work and can't handle them selves. Is an event company, and there are 3 people working there. Is not very exciting for me, I don't know if it can help me anyhow, but I guess is better than nothing. They will call me next week to tell me when they need me. We haven't yet discussed about the salary, but I guess is paid per hour. What do you think?

Did you know that Lyndon texted me?
