Hi Jeffrey...

A bit different than my usual emails to you ...

... this time, it's my privilege to invite you to an event hosted by the Thiel Foundation, the evening of Dec 7 in San Francisco (at the Palace of Fine Arts).

Among other things, [REDACTED] get to meet Peter Thiel who's a pretty big-time hedge-fund guy, who you might have some good finance chats with... as well as a crew of mad scientists...

See the attachment for a brief description of the event. Basically it's a gathering of people from interesting futurist nonprofits, together with successful tech entrepreneurs and investors and philanthropists. Should be a lot of interesting people. I'll be there in my capacity as Board Chair of the nonprofit Humanity+ ...

If you want to come you can tell me, and/or RSVP to rsvp@thielfoundation.org

They have some high-profile RSVPs already, such as Jeff Hawkins, Dustin Moskovitz, and of course Peter Thiel

Of course it's a long trip to San Fran, but, it should be a very interesting crowd ;-)

[REDACTED].
BTW, they're being pretty exclusive about invitations, but, If you come you're obviously welcome to bring a date...
