wich one from Rixos? lares,bodrum or zabeel saray? i want to know which one you like? and why you like it. because of treatments, style of the spa, beautiful girls or they had very nice erotic masage? ;) (i m just joking on last one dont get mad!)

I know I will built the best SPA- health palace!

Now I am thinking on the real estate project- models hotel- that would help me to get my first investments for SPA later.

Jeffrey, if you know anybody that would be interested to invest in super talented designer I would be grateful for the contact! he is the ticking bomb this guy! works to exhaustion in creating costumes for 10 theatre and opera plays in one season to make money for his show every year. he won two awards in Paris houte couture as "best new designer" and next year "best progress". he has his parfume made in France and wrote two books. I am sure he would kick ass for a lot of fashion houses if he would have possibility. this is the same designer I invited you to the show.

Juozas Statkevicius his name. you can see some of his collections on you tube but also if there is anybody interested he has all video material and bio.

I made my family happy and going to London in two days :)

you enjoy the SPA! and write me what you like that much that it is best spa for you!

hello Jeffrey!!! i am still with my family :) will be in London next week and after Dubai. how long u r in Paris?

I am still working on my decision and I have two months for it. if I would have possibility to study in NY i would go back. if not I will not waste my time and start my uni in London on spring or september.i want ro start study and work in the SPA industry at the same time and i can do it in UK because I dont have to pay for my uni. so this is my thoughts.
